One uniform is provided for two- or three-day Boot Camps. Tuition discounts (\$25 per uniform) are available for those who have a uniform from a previous class. You'll order your uniform when you register.

## DRESS CODE

To foster a professional working environment and to maintain the highest standards of safety and sanitation, the CIA has adopted the following uniform code:

- A uniform consisting of a white chef's jacket and checkered pants must be worn in production classes. For safety and sanitation reasons, jewelry is not permitted except for one plain ring and one watch. Note: Chef's hat and apron will be provided for all production courses. Chef's jackets must be buttoned when worn.
- Shoes worn during food production must be closed toe and have an anti-slip sole. Skid-proof or kitchen shoes can be purchased online or from your local uniform store. Open-toe shoes are strictly prohibited.
- Hair should be tied back, neatly maintained, and under control at all times.

## COMMUNICATION DEVICES

While in the kitchen, please use your cell phone for taking pictures only. All phones should be set to vibrate mode and all calls should be handled outside of the classroom and kitchen facilities. For privacy reasons, we ask that you do not photograph CIA students.

## SMOKING POLICY

Health and fire safety laws—as well as campus regulations—prohibit smoking in all indoor areas, in outdoor areas not specifically designated for smoking, and within 75 feet of all building entrances.

Smokers are asked to use the outdoor locations specifically designated for smoking. In the spirit of hospitality and concern for the comfort of all who study and work at the CIA, smoking is permitted only in designated areas.

To help keep the campus clean, we ask that you use the ash urns provided and refrain from disposing of cigarette butts on the ground or floor.

## PHOTOGRAPHY

Periodically, photographers will be on campus to take photographs that may be used in CIA advertising, publications, or on our website. As a condition of your enrollment, you grant The Culinary Institute of America the right to reproduce, use, exhibit, display, broadcast, distribute, and create derivative works of college-related photographs or videotapes that include your image for use in promoting, publicizing, or explaining the college and its activities. If you don't want your image used by the CIA in this way, please inform Customer Service. In addition, we ask that you do not photograph CIA students.
